## **Our Lobby Is Open for Business!**

The credit union would like to thank our members for their support and patience these last couple months when our lobby was closed temporarily due to the COVID-19 pandemic. We appreciate you using the CO-OP shared branches for your banking transactions. Our staff remained on site to answer phone calls, post mailed payments, and help with any questions our members had. We hope that those whose jobs were lost during the pandemic were able to take advantage of the loan skip-a-payments with no fees. Additionally, we waived all member shared branching fees for the months of April and May while our lobby was closed.

With our lobby reopened for business, we do have new procedures in place. We are allowing 2 members into the lobby at a time. Hand sanitizer is available in our lobby. We ask that you please wear a mask when visiting the credit union and to remain 6 feet apart from others.

We hope everyone is staying safe and healthy and we look forward to seeing you!
